

Completing the Registration Forms

To enable you to register at the practice you must complete the necessary registration documents and bring them along to the surgery.

The registration includes:

- Registration Form GMS1 or Medical Card – The practice **must** have one of these documents to be able to register you at the practice. If you have your medical card you are not required to complete the GMS1 registration form.
- New Patient Questionnaire - The surgery requires a new patient questionnaire to be completed for all adults and children.
- Alcohol Audit Forms - The Alcohol Audit C form is to be completed by those patients aged 14 and above. If you complete Alcohol Audit C form and get a score of 5+ then please also complete the Alcohol Audit form.
- Summary Care Record Info Letter & Opt Out Form - Please read the letter about the Summary Care Record and complete the Opt Out Form. If you do nothing we will assume that you are happy for your summary care record to be created. Children under 16 will automatically have a Summary Care Record created for them unless their parent or guardian chooses to opt them out.

The forms can be printed off by clicking on the links below.
